

Meeting of Business, Employment, Transport & Infrastructure (BETI)
Focus Group

21st October 2015 at Chalfonts, Trevaunance Road.

Present: Alan Clark, Roger Thorley, Roger Radcliffe, Vince Falco, Mike Bunt.
Apologies: Toby Parkins.

Noted that there was a large quantity of relevant information that was available to the group for example:

- St Agnes 2000 Regeneration Strategy and Action Plan
- St Agnes Parish Plan
- Key Landscape Characteristics Document

It was agreed that it would be worth making a list of all documentary evidence available to us and decide how we were going to use this evidence to shape our evidence gathering questionnaires?

It was agreed that before the next meeting we would at least make a start on the following:

- Roger will ask the Cornwall Council, Economic Development Unit if they could supply us with an 'Economic Profile of the Parish'
- Roger also agreed to go through the Regeneration Plan (mentioned above) and highlight any relevant points for the group.
- Alan: Public Transport
- Roger T: Footpaths, Cycle Paths and Bridleways.
- Vince: Renewables
- Mike: Broadband (Existing and future provision)
- Everyone to have a look at the work of other NDP Focus Groups such as Porthleven and The Roseland etc.

It was felt important that at the next meeting we decide on the objectives of the group and how we are going to achieve them.

Next meeting: 6th November 2015 1800hrs.

Location: Trevelyan House, Beacon Drive, St Agnes, TR5 0NT
