

St Agnes Parish Neighbourhood Development Plan News

St Agnes Parish Council have now given approval to start work on the Neighbourhood Development Plan (NDP)

The first tasks will be:

- Designation of the NDP area with Cornwall Council, in our case we will use the Parish boundaries.
- The setting up of the Focus Groups. These groups will be tasked with helping to gather evidence from the community to form the policies of the Plan.

We have proposed three groups and these are shown below, together with an indication of what each group will cover.

Housing, Education & Community Facilities
Homes
School Places
Open Spaces
Sport & Recreation
Healthcare

Landscape, Natural & Built Environment
Conservation of Landscape
Wildlife & Habitats
Historical Environments
Design, Architecture & Character
Coast & Geology

Business, Employment, Transport & Infrastructure
Public Transport
Renewable Energy
Walking & Cycling Routes
Business Premises
Utilities & Communications
Parking & Traffic Management

We have a list of volunteers already, willing to form these Focus Groups, but we can always use more!

So if you feel you can contribute to any of the above groups please come along to a meeting at Mount Hawke Skatepark, on 30th September at 7.00PM
