3. Meeting Purpose

The meeting had three purposes.

- To begin the process of identifying issues for the focus group
- To begin to identify a lead for each issue
- To begin to identify on line and other sources of information.

The issues were discussed. It was noted that the issues potentially overlap with other focus groups and this would need careful management to avoid duplication and or confusion. It was also agreed that this was a useful start. Bob agreed to forward paperwork by email. Attendees agreed to update by email. See attached for progress to date.
